

The **Calvert Garden Club Plant Sale** is an annual event, always the last Saturday in April. Locally grown plants are lovingly dug and potted by members of the club, "*from our garden to yours*". In addition, plants from local nurseries will be at the sale. A wide variety of plants, trees and shrubs will be available for purchase including hanging baskets, vegetable plants, herbs, annuals and perennials. Huchera (coral bells), a variety of ferns, Tiarella (foam flower), Lobelia, Hellebore are just a few of the perennial plants that will be available.

Friendly knowledgeable club members will be available to answer questions. Stop by the Raffle Table and check out the items you might win and the Linda's Treasures Table for household bargains. There are delicious homemade items at

the Bake Table and grilled Concessions. Garden club members' handmade garden/nature themed pottery will be at the Pottery Patch booth ready to be added to your home and gardens, functional and fun!

**Saturday, April 29, 2017**
