

The Calvert Garden Club Plant Sale

is an annual event, always the last Saturday in April. Locally grown plants are lovingly dug and potted by members of the club, *"from our garden to yours"*. In addition, plants from several local growers will be at the sale. A wide variety of plants, trees and shrubs will be available for purchase **including, heirloom tomatoes, hanging baskets, vegetable plants, herbs, annuals, perennials, blueberry bushes and strawberry plants.**

Friendly knowledgeable club members will be available to answer questions. Stop by the **Raffle Table** and check out the items you might win and the **Attic Treasures Table** for household bargains. There are delicious homemade items at the **Bake Table** and grilled **Concessions**. Garden club members' handmade garden/nature themed pottery will be at the **Pottery Patch** booth ready to be added to your home and gardens, functional and fun!
