

Monthly Hostess Assignments for 2019-2020

Each month the members of the Calvert Garden Club host lunches on a rotating basis. These lunches are expected to be simple and healthy options selected by the hosts. Hosts are expected to setup and clean up the Parish Hall before and after the meetings. The Club has a set of reusable dishes (Green) that are available for use by the hosts. Christ Church also allows us to use their dishes if properly handled, cleaned and returned to their places. A GUIDELINE FOR HOSTS including a schematic of how to organize the space is also available on the website.

Below is the list of host assignments by month for 2019- 2020. There are no hosts assigned to the Field Trips.:
